Bollywood superstar Amitabh Bachchan launched a ghazal album titled "Destiny", featuring Pankaj Udhas, Anup Jalota, Talat Aziz and Sumeet Tappoo.

Sporting white pyjamas and a cream-coloured shawl, Amitabh at the launch event said that listening to the new album gave him immense peace and urged people to experience the same.

Saregama India Ltd. has brought three legends - Pankaj Udhas, Anup Jalota, Talat Aziz and talented young singer Sumeet Tappoo together through the album. The ghazals have been composed by Anup Jalota, its music scored by Bhavdeep Jaipurwale and lyrics written by late Sri Ram Prakash Goel.

The album has two individual solos by each of the four artistes. However, the highlight of the album is the joint performance by all the singers, which would come as a treat to music lovers.
