Mumbai — Megastar Amitabh Bachchan has launched ghazal album *Destiny* and urged people to listen to the album to enjoy its soothing effect.

Destiny has brought together the three acclaimed singers – Anup Jalota, Pankaj Udhas and Talat Aziz – and is said to be the biggest ghazal album of the year.

"When I listened to it (*Destiny*), it gave immense peace. I would like to urge to all the people here to kindly listen to the beautiful album. It will give you all a lot of peace and a good sleep as well," Amitabh told reporters Tuesday at the launch.
